

## TERMS OF SERVICE

This document outlines the Terms of Service ('TOS') with operating the application ('APP') as developed by Emma Technologies, L.L.C. ('DEVELOPER' or 'WE'). By agreeing to the TOS, you ('USER') and the DEVELOPER enter into an End User License Agreement ('EULA'). The EULA is defined by the following terms:

1. Agreement with the TOS is required in order to operation this APP.
2. Both the USER and the DEVELOPER cannot modify the TOS without direct consent of each party.
3. The USER agrees not to post or participate in rude, offensive, or explicit behavior while utilizing the APP. Definition of this behavior is determined by the DEVELOPER.
4. By using the APP, the USER assumes all legal risk and responsibility for the content published and viewed. The DEVELOPER is in no way responsible for the USERS actions or behavior while using the APP.
5. The terms and conditions of Apple's standard EULA apply except where explicitly stated otherwise.
6. Interpretation of this document is ultimately decided upon by DEVELOPER and any conflicts with the law is unintended and as such voided.

Failure to adhere to the EULA by the USER will result in the immediate termination of the USER account and a lifetime ban from using the APP.

## PRIVACY POLICY

Emma Technologies, L.L.C. will never sell or distribute user data in any way. All information used or collected is for the sole purpose of application performance and is never accessed outside of the application's functionality. WE limit the amount of data collected using an as needed basis: USER data is only collected and referenced if it is deemed necessary for the functionality of the application. Further, WE isolate ourselves from USER data and use industry standard encryption techniques (AES-256) whenever realistically possible to prevent unnecessary transfer of knowledge.
